

DEDE NURHADI PUTRA

Profile

Date of Birth : Ternate, 6 February 1998.

An enthusiastic person who has a strong interest in Web Developer and Software Developer. As someone who was once an Informatics Engineering Student, I want to implement my skills, especially in the field of Web Developer. I am looking for a good opportunity ahead regarding my background and passion in Web Developer and Software Developer.

Experience

● Website-based Restaurant Information System

Universitas Computer Indonesia | 2019 - 2019

My job desk is to make some Front-end with HTML5 and Bootstrap and some Back-end "CRUD" with Code Igniter 3 and MySQL.

● Website-based Library Information System

Sanbercode | 2021 - 2021

My job desk is to develop library system using HTML5, Bootstrap, JQuery, Ajax and Vue JS Template for Front-End. And for the Back-end with Laravel 6 and MySQL.

● Freelance at CV. Klik

CV. Klik | 10 Februari 2022 – 20 Februari 2022

My task is to develop a landing page website for a CV.Klik client, Togamosal.

● Web Developer at PT. PASOLUSI

PT. PASOLUSI | 01 Maret 2022 – 01 September 2022

My jobdesk is to develop and fixing bugs with developer team for laboratory information systems both in backend, frontend and API projects from PT.PAS clients.
